If you have any questions, feel free to contact Bobbie Gabler directly bobbie@proficiency.org or at 952-303-6126.

Thank you Sponsors and Technical Advisors

The National Association for Proficiency Testing (NAPT) would like to take a moment and thank all the sponsors and technical advisors who have assisted NAPT throughout the year providing their expertise. The sheer generosity of the organizations and individuals who donate artifacts and their time show a great value in making the Metrology Community a better place.

THANK YOU for all your dedication and support!

NAPT Staff

How to get involved with NAPT?

Step 1: Figure out how you want to help the metrology community.
You may want to give technical advice or become a sponsor by donating an artifact.

Step 2: Contact NAPT or visit NAPT's Community Support on its website to sign up.

Step 3: Advocate

SPOTLIGHT

[NAPT Resource Tab on www.proficiency.com](http://www.proficiency.com)

National Association for Proficiency Testing strives to be the best proficiency test provider the metrology community uses. One way NAPT does this is by providing participants with a resource tab that links to several accrediting bodies ISO 17025 requirements for ILC/PTs.

Please take the time to get familiar with this tab.

About Our Organization...

NAPT is a non-profit membership association dedicated to the improvement of measurement quality.

NAPT is incorporated as a 501(c)(3) scientific and educational nonprofit organization.

Mission

Our Mission Our mission is to provide our customers with the best information, tools and service to help them improve measurement processes and results through participation in intra laboratory comparisons, proficiency testing and round robins.

Our Quality Policy NAPT provides our clients with an unbiased analysis of measurement processes to enhance awareness of their technical competence and data integrity.

Our Objectives NAPT's main objective is to support our mission by providing professional management and program administration, coordination, data processing and reporting for intra laboratory comparisons, proficiency testing, and round robins.
