2017 Measurement Science Conference April 5-7, 2017 Anaheim, California

National Association for Proficiency Testing (NAPT) is excited to attend the 47th Annual Measurement Science Conference (MSC) being held at the Disneyland Hotel in Anaheim, California. NAPT is a strong supporter of the "Science, Technology and Measurement changing our world."

Training Symposium included, NIST Seminars, Tutorial Workshops, Technical Sessions, ASQ-CCT Training, and Interactive Exhibit Hall.

If you have not registered yet click on the link below.

REGISTER at www.msc-conf.com

Stop by NAPT's booth and check out all that has happened in a year.

2017 - Out with the old and in with the NEW

NAPT is looking to add and/or replace 20 kits by the end of the year.

NAPT needs to hear from YOU on what the metrology community wants to see in 2017. Without your input, it is hard for a provider to know exactly which ILC/PTs to put into distribution.

Chances are if there is a proficiency test that you wish was developed some other lab is thinking the same thing.

Contact NAPT today to share what you believe other labs will want to see as a new ILC/PT. napt@proficiency.org/[ILC-PTsuggestion](http://www.proficiency.org/ILC-PTsuggestion)

New 2017 kits to be released - a new Mass kit, Torque Wrenches, Spline Plug, and thermometer.

Effective January 1, 2017, ILC/PTs increase to \$595.

Digital Thermometer & Probe - TEMP-DIGITAL-216 is now in circulation

New ILC/PT - HP 3458 DMM
Contact NAPT for pricing and availability

SPOTLIGHT

Community Support

NAPT has several ways for you to get involved. You can be a Sponsor and assist NAPT as a pivot lab for new/existing ILC/PTs.

Maybe you like problem solving...NAPT has an Advisors Program that allows you to answer technical questions.

For more information about NAPT's Sponsorship and Advisors Program go to <http://www.proficiency.org/Community-Support>.

ONLY you can make a difference.

About Our Organization...

NAPT is incorporated as a 501(c) (3) scientific and educational nonprofit organization dedicated to the improvement of measurement quality.

MISSION

Our Mission Our mission is to provide our customers with the best information, tools and service to help them improve measurement processes and results through participation in intra laboratory comparisons, proficiency testing and round-robins.

Our Quality Policy NAPT provides our clients with an unbiased analysis of measurement processes to enhance awareness of their technical competence and data integrity.

Our Objectives NAPT's main objective is to support our mission by providing professional management and program administration, coordination, data processing and reporting for intra laboratory comparisons, proficiency testing, and round-robins.
