

NAPT Stimulus Package & Regional Event Update

NAPT Stimulus Package

Desperate times call for thoughtful measures! In light of the current economic situation, NAPT is making every effort to trim operating costs so that it can extend a generous discount option to its' members through a True Stimulus Package.

NAPT's Stimulus Package is available to all labs that sign up for a 4 year Multi Year Member (MYM).

For those who are already Multi Year Members, you too can still take advantage of this program by giving us a call. Here's how it works.

By becoming or renewing a four year MYM during 2009, NAPT will extend additional discounts on ILC/PTs in your membership package for each of the 4 years of your MYM as well as a reduced Membership Fee.

1st Year - 15%

2nd Year - 10%

3rd Year - 7%

4th Year - 5%

The already existing benefits of being a Multi Year Member are, automatic renewal, preferential scheduling, but most significant is that you are locked into our lowest rates during the extent of the 4 year term.

The Board of Directors has approved a new fee schedule which will go into affect April 1st, 2009, so you may want to lock in now at our current pricing!
Call Today for detailed information.

Plans for Spring 2009 Regional Events

The cut-off date for signing up for the proposed Spring Regional Events is right around the corner. Anticipated locations are Michigan, Virginia and Illinois. We need to hear from any and all interested labs by February 27th so we may determine which locations to advance with. Specific locations and details will be available the first part of March. Please contact NAPT at your earliest convenience to express your interest level. The PTs being offered are: Bench Scale, Analytical Balance, Hardness, Optical Comparator, Surface Plate & Calibration of a CMM. Please spread the word to assist in making these events take place, as a minimum number of participants is required for each event and each ILC/PT.

Measurement Science Conference in Anaheim

MSC promises several new ideas and additions to make this years conference the best ever!

The conference is being held March 23 – 27, 2009 at the Disneyland Hotel in Anaheim California. You can find additional information at their website, <http://www.msc-conf.com>.

The week will entail Seminars, Training, Tutorial Workshops and more. Don't miss out on the great savings MSC is offering by registering for the conference on or before March 2.
